I called you via phone several times before but I couldn't get connected so I came over here

I receive a call from a publication company for the first time today...

But the person was a man and I ended up hanging up...

메일로 해도 해요

but I...unless it's Minamoto Kun, I can't speak to boys while looking at their faces...

I have been training for 4 years under your guidance

I understand it's late but I wanted to thank you for the interview...- so I came here

Thank you very much for having helped me when I froze in front of my male professor
